

Packing Checklist for the Giant Traveling Map Trunk

Thanks for borrowing the Giant Map of Connecticut,
we hope it was an amazing resource for you!

Please use this checklist to be sure to return each item
that belongs in the trunk so that the next teacher can
find what they need.

___ Binder with the bank of lessons. If you've copied any, be sure the
originals made it back in! If you've created lessons that you'd like to share,
please email them to st_as3129@ccsu.edu. Thank you!

___ (About) 25 lanyards of each color (red, yellow, green, and blue).
Please separate them by color and tie each group together loosely (just like
the first step of tying your shoes!) 

___ Long yellow chain in big loops like a garden hose

___ Linkable chain pieces contained in their Ziploc

___ (About) 18 orange cones stacked

*Please remember that this is a borrowed and shared resource, so contents may vary
slightly if items get added or adopted. Please let us know if something has gone missing.*
